

Flock Questions: To be asked of Flock during the 10/24 meeting. **Yellow:**
From June 10th Meeting

1. How do we ensure Flock isn't sharing information. Selling it?
2. Do we have a contract assuring the community's privacy of information?
3. Is the system tied to Carfax, DMV?
4. Flock Privacy? Are we insured that Flock isn't using our data?
5. Is Flock recording and Saving Video or Image?
6. Contract language: What is the language say about changing the contract- reducing cameras, early out, or modifications to existing contract?
7. What are the costs for installing and connecting cameras? What did we pay? This question is about what if we end this contract and start a new contract? What would be the costs for letting this current contract expire and then starting over?
8. When does this existing Contract end? Would the auto renewal be for 1 year or 2?
